I'll be home tonight
I _____ (come) back home

SOLUZIONE:

Another summer day
Is come and gone away
In Paris and Rome
But I wanna go home

Maybe surrounded by
A million people I
Still feel all alone
I just wanna go home
Oh I miss you, you know

And I've been keeping all the letters
that I wrote to you
Each one a line or two
I'm fine baby, how are you?
Well I would send them but I know that it's just not enough
My words were cold and flat
And you deserve more than that

Another aeroplane
Another sunny place
I'm lucky I know
But I wanna go home
I've got to go home
Let me go home
I'm just too far from where you are
I wanna come home

And I feel just like I'm living
someone else's life
It's like I just stepped outside
When everything was going right
And I know just why you could not
Come along with me
But this was not your dream
But you always believed in me

Another winter day has come
And gone away
And even Paris and Rome
And I wanna go home
Let me go home

And I'm surrounded by
A million people
I still feel alone
Oh, let me go home
Oh, I miss you, you know
